

Gestaltmatcher DB Consent

Before you can use GestaltMatcher database download services, we need you to understand and comply with the EU General Data Protection Regulation (GDPR). This means for example that data processing must be for the purpose of next-generation phenotyping and must be done in such a way as to ensure appropriate security, integrity, and confidentiality. You may also only store personally identifying data for as long as necessary for the specified purpose. In order to ensure subjects' privacy rights, including the right to erasure, we also have to share your contact details with those subjects so that they can directly contact you.

I hereby confirm that I am accountable for GDPR compliance

I hereby appoint the following data protection officer of my organization for GDPR compliance
